NASHUA WELCOME CENTER INFORMATIONAL MEETING
TO DISCUSS FUTURE USES OF EXIT 6 FACILITY

The New Hampshire Department of Transportation announces an Informational Meeting will be held Tuesday, October 5, 2004 by the Nashua Welcome Center Legislative Study Committee to discuss future uses of the facility off of Exit 6 of the F.E. Everett Turnpike.

Following the passage of House Bill 1261 during the 2004 session of the New Hampshire Legislature, a Study Committee was established to review the existing Nashua Welcome Center to consider whether there are alternative public uses for the facility, or if the property should be leased or sold for appropriate other uses. The committee will be producing a report of its findings at the conclusion of the study, currently anticipated for November 1, 2004.

The October 5 public meeting to solicit comments will be held at Nashua City Hall, 229 Main Street, Nashua, New Hampshire, beginning at 7:00 pm.
